Saint John Paul II – October 22

Born **May 18, 1920**, in Poland, and died **April 2, 2005**. He served as Pope for nearly 27 years. His feast is celebrated on October 22, the anniversary of the inauguration of his pontificate in 1978. Two miracles were recognized through his intercession: the healing of a French nun from Parkinson's disease and a Costa Rican woman from a brain aneurysm. He was canonized in **2014**.

“Do not be afraid! Open wide the doors to Christ!”

San Juan Pablo II – 22 de octubre

Nació el **18 de mayo de 1920** en Polonia y falleció el **2 de abril de 2005**. Fue Papa durante casi 27 años. Su fiesta se celebra el 22 de octubre porque ese día, en 1978, inició solemnemente su pontificado. Se reconocieron dos milagros por su intercesión: la curación de una religiosa francesa del Parkinson y de una mujer costarricense de un aneurisma cerebral. Fue canonizado en **2014**.

«¡No tengan miedo! ¡Abran de par en par las puertas a Cristo!»

Matthew 28:20 Pastoral Care to the Sick and Homebound

No one should feel forgotten or alone.

Through the ministry of Pastoral Care to the Sick & Homebound, our parish reaches out to those who are sick, elderly, homebound, isolated, or unable to join us at Mass. By bringing Holy Communion, through visits, prayer, and friendship, we bring the compassionate and healing presence of Christ to those who cannot easily come to us.

If you or someone you know would like to receive this ministry, please call the parish office.

Could God be calling you to this ministry? If you would like to learn more about becoming involved in Pastoral Care to the Sick and Homebound, please contact the parish office.
